

Quiz Instructions

For each quiz this semester, either print out the quiz or download the pdf and then complete the questions by hand on paper/tablet. Write neatly, use proper notation, organize your work, and show all steps; your work will be graded on the [AJN] criterion. **You must submit original work.** Work copied from any source will receive a score of 0 and will be submitted to OSI for disciplinary action. Quiz submissions are due on Friday by 11:59pm in Gradescope; no late submissions accepted.

To avoid a deduction of your score, make sure to follow the rules for submissions:
